

It was because of this education, training and experience that Mr. Edward J. Baca, former Administrator for the Administrative Office of the Courts for the State of New Mexico and Departmental Director in Charge of Interpreter Services for the Administrative Office of the United States Courts designated Ms. Tran as a Language Expert as per the provisions of the Court Interpreters Act of the Congress of the United States. Ms. Tran has also been Certified and Qualified by Berlitz Language Services as an Interpreter for the United States Immigration Courts as per the provisions of their contract with the United States Immigration Courts. Additionally, Ms. Tran has also taken the Non Specific Interpreter Orientation Workshop offered by the National Center for State Courts and the Administrative Office of the Courts of the State of New Mexico.

It is because of the foregoing and because I have often observed her work in the federal courts and in other settings that I can totally and unequivocally recommend the work and services of Ms. Ann Tran to any and all persons who require her many and varied skills, including very well developed computer skills, in the interpreting and translation services offered by Ms. Ann Tran in the English-Vietnamese languages. Should you have any questions with regard to the skills, experience and education of Ms. Ann Tran relative to her work with the United States District Court for the District of New Mexico, please do not hesitate to contact me at your earliest convenience.

Respectfully,

Juan José Peña, Interpreter Supervisor
