RE: Ann Tran

TO: Whom it may concern

Ms. Tran has interpreted in my court on numerous occasions. I find her to be professional, friendly and very competent. There are several words and concepts we have in the American Judicial System which do not translate easily, however, Ms. Tran is able to thoroughly explain and convey the process to Vietnamese speakers efficiently and clearly.

Ms. Tran often appears with very little notice and is always on time. I have no hesitation recommending Ms. Tran as an interpreter, her skills are exemplary.

Sincerely yours,

Sandra J. Clinton
