To Whom It May Concern:

The purpose of this letter is to provide an unqualified recommendation of Ann Tran for Vietnamese translations services. Our law firm has engaged Ms. Tran on multiple occasions over the last two years for the purpose of translating English language election materials and other legal documents to the Vietnamese language as required by certain Department of Justice regulations. Despite the highly technical nature of these documents, Ms. Tran has consistently provided a superior work product that has, without exception, satisfied our requirements and the requirements imposed by the Department of Justice.

Ms. Tran is proficient, professional and responsive, and has time and again been willing to put forth the extra effort necessary to provide high quality work to an admittedly demanding client. I recommend her services without qualification.

Very truly yours,

Marcus W. Deitz
